Pesticides from Neem tree

1992. SHRIMATI KAMLA SINHA:
SHRI MOHAMMED AFZAL alias MEEM AFZAL:

Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that chemical fertilisers are not eco-friendly;

(b) whether it is a fact that a leading team of German Researchers have found that pesticides from Neem tree is cheap and eco-friendly for use of targetted pest management;

(c) whether it is also a fact that pesticide from Neem tree has been successfully used in many Asian and Caribbean countries; and

(d) if so, whether Government propose to indicate and propagate the extensive use of Neem pesticide in India?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a) It is presumed that the word "fertilizer" in the question refers to "pesticides". By their very nature pesticides are toxic chemicals.

(b) to (d) It is understood that research into the use of neem for pesticide development has been conducted. German Scientists have also been involved. A UNIDO report has mentioned that neem based pesticides are being used in some Asian countries. Formulations of neem as well as neem oil are also available in India.
